Mosaic Anniversary

MOSAIC ANNIVERSARY
patented

Storia contemporanea

Lavabo da appoggio in cristallo, arricchito da un'esclusiva decorazione nei color oro, oro rosa, rame, platino, argento e nero metal. Mosaic Anniversary celebra 2000 anni di storia attraverso un'interpretazione in chiave moderna dell'antica tecnica del mosaico. Mosaic ha un fascino unico che rende il lavabo il protagonista per eccellenza del bagno. Collezione che richiama gli spettacolari mosaici antichi che già i romani usavano per decorare gli ambienti termali pubblici ed i bagni delle ville private.

Contemporary history

Countertop crystal wash basin, enhanced by exclusive decorations in gold, rose gold, copper, platinum, silver and black metal. Mosaic Anniversary celebrates 2000 years of history through a modern interpretation of the ancient mosaic techniques. Mosaic has a unique charm that makes the sink the main actor. This collection recalls the spectacular ancient mosaics that the Romans already used to decorate public thermal environments and private villas.

Kool Max Marble

KOOL MAX MARBLE
patented

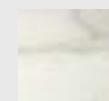

E' il lavabo da appoggio che rappresenta il design perfetto; per questo abbiamo scelto di realizzarlo da un blocco di marmo bianco di Carrara. 43

Estratto dalle alpi Apuane è noto come uno dei marmi più pregiati al mondo. Michelangelo lo usò per realizzare il suo David, proprio per la particolare bellezza del suo bianco e delle sue inconfondibili venature.

It is the countertop wash basin that stands for the absolute perfect design; for this reason we decided to make it with one single block of white Carrara marble.

Extract from the Apuane Alps, well-known as one of the most prestigious marbles in the world; Michelangelo himself used it to realize his David because of the peculiar beauty of its white and unmistakable veins.
